

Annex to the "Freetier Early Acces" Regulations for entrepreneurs. Detailed Terms of Freetier Service

This Annex contains the technical specification and limits for the Freetier Service. Exceeding the limits below, adding more disks to the configuration, changing the configuration by changing the instance class or changing the disk's Tier, cause immediate start of charging the Fee in accordance with the Regulations and Price List. Change of type of SCL controllers on the instance is allowed as part of the Freetier Service.

In the event of any amendments to this Annex, changes restricting the scope of the Freetier Service or in other way unfavorable for the User, apply to Users using the Freetier Service before they are introduced.
